Childhood Outcomes Summary Forms (COSF) Training

Overview:

The Childhood Outcomes Summary Form (COSF) is a form that captures information about preschool children in three critical domains:

- the development of positive social-emotional skills (including social relationships)
- the acquisition and use of knowledge and skills (including early language/communication and early literacy)
- the use of appropriate behaviors to meet their needs

Participants will be able to: describe various purposes for collecting and reporting child outcomes data, use the Child Outcomes Summary Form (COSF) to collect data, and demonstrate an understanding of the need for quality data collection to determine the progress of students in pre-school special education programs.

Focus:	<i>Early Childhood</i>
Audience:	<i>Pre-school Teachers, Special Education Coordinators, Related Service Providers, and Intervention Coordinators</i>
Date:	October 27, 2009
Time:	8:30 am - 3:30 pm
Location:	Van Ness Elementary, 1150 5th Street SE, Washington, DC 20003

Complete the registration form and return to Danielle Greene at osse.tta@dc.gov.

Training and Technical Assistance

The Department of Training and Technical Assistance provides high quality professional development, training, and technical assistance in response to local and state needs to support the OSSE's overall strategic goals.

Our services are designed to increase the capacity of school personnel, service providers and families to meet the needs of children with disabilities by enhancing the knowledge, skills, and performance of all school personnel.

Our Vision

We believe that given equal access to the general education curriculum, accommodations, assistive technology, supports, and services, all children, including those with disabilities, will fulfill the vision of No Child Left Behind.
